

Tour of the Aromas in the Serra de Aire e Candeeiros

Program is held at weekends

From 80 euros / person

"Increasingly, natural spaces appear, in the international and national context, as tourist destinations in which the existence of natural and cultural values constitute inseparable attributes of nature tourism."

Tour of the AROMAS

PROGRAM

10H00 The Tour starts from Santarém

Walking route through the Serra de Aire and Candeeiros with local guide

Scope: Environmental, landscape and cultural

Type of route: Circular or linear (optional)

The route can be adapted to different recipients by changing the route taking into account the participants' mobility.

Distance: Optional, being the most frequent between 8 and 12 kms.

Estimated duration: Morning and / or afternoon
